Our Churches

St Peter & St Paul, Ringwood

Ringwood Parish Church stands in the centre of Ringwood Market Place and is an important town landmark. The current church is the third on the site. The first building was mentioned in the Domesday Book, so we know that by the year 1087 there was a church on this site. (seats 350)

St Mary and All Saints, Ellingham

This is a thirteenth century church. Although largely stone built, St Mary's is entered through a charming early 18th century brick porch, with a large blue and gold sundial. (seats 120)

St Paul's, Bisterne

Located south of Ringwood and built in 1853 for tenants of Bisterne Estate. The elegant interior is virtually unchanged from Victorian times, giving the church an intimate yet dignified feel. (seats 160)

St John's, Poulner

Built in 1914 as a mission church for what has become the large residential community of Poulner. Today St John's hosts a variety of family friendly services and activities. (seats 100)

All Saints, Harbridge

All Saints, Harbridge lies west of the village of Ibsley on the west bank of the River Avon and is approached by the picturesque Ibsley Bridge and the adjoining water meadows. There has been a church on this site since the mid-15th century. (seats 84)

Making dreams come true

If you have always dreamt of a church wedding, or are thinking about it for the first time, we will be delighted to help and support you. Having your wedding in church makes it very special and personal and adds a beauty and spirituality to this very important day.

Legal requirements

In marriage you take on a whole new legal status. The vicar knows how to advise and prepare you for your wedding day and everything must comply with all relevant UK and Church of England laws. These are the main legal points to consider before you begin planning: -

Marrying in your local church

You can automatically marry in any of the six churches in the Benefice if you live within the boundaries of the Parish of Ringwood with Ellingham & Harbridge or the Parish of All Saints, St Leonards & St Ives.

Marrying away from where you live

It is possible to get married in a church that is away from where you live if you have a certain kind of connection with it. You may be legally connected to a number of churches in different ways. More information about Parish connections can be found on the reverse of your 'Welcome & Congratulations' form.

Time and Date of wedding

Weddings must take place between 8am and 6pm. We do not hold weddings on a Sunday and are unable to hold weddings throughout the month of September.

Age

By law you cannot be married in England and Wales until you are 18.

Documents you'll need

- ❖ All couples will need to show the vicar their passport as proof of nationality. If you don't have a passport, there are other documents which would be acceptable, please ask your vicar about this. They will also need to see proof of your address.
- ❖ If either or both of you are divorced, you will need to bring your decree absolute for the vicar to see.
- ❖ You may also be asked to provide evidence of your connection to the church, such as utility bills which show you live or have lived in the parish, or your parents' marriage certificate if they were married there, for example. Your vicar will guide you on acceptable documents for your connection.

Guidelines for divorcees

There are special guidelines on marriage in the church if you are divorced. Our vicar would be very happy to discuss this with you.

Information for same sex couples

The law currently prevents ministers of the Church of England from conducting same-sex marriages. While there are no authorised services for the blessing of a same-sex civil marriage, your local church is still able to offer prayer and pastoral support.

Reading of banns

Most Church of England marriages require banns to be read out in church before the wedding can take place. Although a legal requirement, banns can be a special occasion too.

- ❖ You must have your banns read out in church for three Sundays during the three months before the wedding. This is usually done over three consecutive Sundays but does not have to be.
- ❖ Banns need to be read in the parish where each of you lives as well as the church in which you are to be married if that is somewhere else. The charge for this is £59.
- ❖ As well as being a legal requirement, your banns readings are special public occasions when people in church hear of your intention to marry. It's an exciting and happy time, so you're welcome to invite your family and friends to hear your banns too.
- ❖ Banns are an announcement in church of your intention to marry and a chance for anyone to put forward a reason why the marriage may not lawfully take place.
- ❖ Banns are an ancient legal tradition and have been read out every week in churches across the land for millions of couples, over many centuries.
- ❖ After your forthcoming marriage is announced, the congregation may be invited to pray for you both. It can be quite special and moving to hear this, so do go along if you can.

You will not need to arrange banns until about four months before your wedding date. If there is not enough notice given for the banns to be read before the marriage is due to take place, or if one or both of you are British but do not live in England (or Wales), the Common Licence procedure needs to be used rather than banns.

Licences

There are some circumstances in which you may need a Special Licence, Common Licence, or a Marriage Schedule from the register office to marry in church. Your vicar will let you know if these apply to you. More information can be found at www.yourchurchwedding.org

Wedding Flowers

You may choose your own florist, however for weddings at St Mary & All Saints, Ellingham we highly recommend that you contact our excellent church florist, Mrs Tricia Kean on 01425 473873, triciahkean@aol.com.

If the church is already decorated for a festival, the church flower arrangements cannot be removed to accommodate wedding flowers, so please let us know whether you intend to have flowers in church in advance. As a gift to the Church, it is very much appreciated if you leave your pedestal flowers in the Church for the following Sunday Services.

Confetti

To keep litter to a minimum we ask that only biodegradable confetti or real flower petals are used, and that throwing be confined to the churchyard. At Ellingham confetti can only be thrown outside of the churchyard gate.

Music

You are welcome to play your own recorded music during the service from a CD, MP3 player, or mobile phone, please contact us beforehand to discuss. This would need to be organised by a member of your bridal party and tested during the wedding rehearsal. Should you like other musicians to play during the service please get in touch.

Marriage Preparation Day

All couples are required to attend a Marriage Preparation Day, which take place twice a year. This important day is often your first chance to meet with the minister and to discuss all aspects of your church wedding. There is a charge of £10 per couple to cover costs.

Meeting the vicar

All couples meet with the vicar in the months leading up to the wedding and a rehearsal is booked for 6pm the evening before the wedding.

Order of Service

Order of Service booklets are given to your guests as a detailed programme of the day's events and timings for your church service. They also make a lovely memento of the day as guests like to take them home. These contain personalised details regarding the wedding ceremony, hymns, and readings. Include the bride and groom's names, date of wedding and church on the front cover and your wedding party details on the inside front cover if you wish i.e. the name of best man, bridesmaids, and ushers etc.

It is important to liaise with the vicar when starting to think about your Order of Service and the content you would like to include in your wedding ceremony. To most couples this is the most important part of the day, and a lot of thought should be given to the readings and hymns you would like to include. If you are unsure your vicar will be able to help and guide you. The Organist will also be able to advise you on music choices.

Please remember that the vicar will need to see your order of service during the planning stages to authorise the order and content. Overleaf is an example of the most popular format for a Church of England Wedding which can easily be tweaked by you and your vicar.

Please visit ceremonyplanner.yourchurchwedding.org to help plan your service.

Statutory Fees: £605 (when marrying in your own parish)

Statutory fees are set by Parliament and are the legal fees payable for marriage in the Church of England. *These increase annually, and you will be charged the current rate of the year you marry. This basic legal fee includes the cost of a stipendiary minister, the church, lighting, and all administration.

Please note, that if a non-stipendiary minister leads the service a £30 charge will be added to your invoice to cover the minister's travelling costs. This is an additional item authorised by the Diocese when the service is taken by a retired member of the Clergy.

A non-refundable deposit of £100 is required at the time of booking to reserve the date.

Vergers: £50

It is required that our vergers be present for your wedding. The vergers have an essential health and safety role, they provide the invaluable service of preparing the Church, while assisting the vicar and your guests at your wedding.

Marriage Certificate

Marriage Certificates are no longer issued by churches. After your marriage we will forward the Marriage Document signed at the service to Fareham Register Office for processing. You can pre-order your Marriage Certificate online, paying them the fee direct at shop.hants.gov.uk/collections/registration-services.

Heating: £180 at Parish Church of St Peter & St Paul £150 at all other churches

The church will need to be heated for weddings taking place from October to March. Outside of these months please let us know if you require heating. Unfortunately, this is something that we need to charge for.

We can offer six bells to be rung. Please note that the fees are increased by £40 if these performances are recorded on video or DVD, as waiver of copyright.

- ❖ Six bells rung for 10 minutes before the due time of the ceremony, then rung for up to 25 minutes afterwards: £240

Choir: £200

Please contact us should you need a choir, and we will connect you with the Jubilate Choir. They are a robed choir who can lead the congregation in your choice of hymns, and sing an appropriate anthem, if required, during the signing of the Marriage Document.

Organist: £140

Our organist will liaise with you on your choice of music to be played ten minutes before the service, at the entrance of the bride, during the signing of the Marriage Document, and at the final procession. The organist will also be happy to suggest or play over a choice of hymns on the organ, by arrangement. The Church must comply with copyright law, and any songs or hymns printed on service sheets need to be agreed in advance with the Minister. If you have a videographer attend your ceremony which features an organist, their fee is doubled as a waiver to copyright.

Videography: £80

Churches are subject to copyright laws and as such permission is required from the vicar to have a Professional Videographer record a DVD of your wedding ceremony. Copyright law states that you must obtain permission from the publishers of any copyright music being performed and recorded during the service. An administration charge of £80 is levied for video recordings. If you have a videographer attend your ceremony which features an organist, their fee is doubled as a waiver to copyright. If there are bells rung, the fee increases by £40.

Candles at St Mary & All Saints, Ellingham: £80
